

TOPICS IN DATA SCIENCE 2019 (TopDS2019)

5 APRIL 2019

**AL-FARABI SEMINAR ROOM &
ULUGH BEG COMPUTER LABORATORY
INSPEN, UPM**

The aim of TopDS2019 is to bring together students, researchers and practitioners in data science area. It will reflect on Opportunities, Industry Demands and Methods in Data Science.

The TopDS2019 will highlight two leading industrial personalities, a Senior Data Scientist and 2 academics who work in Data Analytical Methods.

*The aim of this **seminar cum workshop** also aimed at highlighting new vistas for interested researchers and students.*

SEMINAR & WORKSHOP

SPEAKERS

Mrs. Mah Kam Lin
Executive Vice President,
Group Data Scientist,
Maybank Group

Mr. Sheikh Manzoor Ghani
Executive Director of Operations,
SAS Institute Sdn Bhd

Dr. Khang Tsung Fei
Senior Lecturer,
Institute of Mathematical Sciences,
University of Malaya

Dr. Chin Jia Hou
Senior Lecturer,
School of Mathematical Sciences,
Sunway University

Mr. Mohd Shazri Sharir
Chief Analytics Officer,
Smart Tech Tank Sdn Bhd

FEES

RM350.00
