## FIRST ANNOUNCEMENT

The International Quantitative Research and Applications Conference 2018 (IQRAC2018) is an international conference on mathematical sciences and their applications jointly organised by the Institute for Mathematical Research (INSPEM) of Universiti Putra Malaysia and the Malaysian Academy of Mathematical Scientists (AISMM). The conference invites academicians, researchers, practitioners and students to participate and take opportunity to exchange information on the latest research findings in the field of mathematical sciences and their applications. Prospective authors are invited to submit abstracts for their presentations in their chosen topics.
