&  
National Hydraulic Research Institute of Malaysia (NAHRIM)

## INTRODUCTION

The 1st Joint Seminar on Statistics in Hydraulics (JoSSH) was held on 9 - 10 April 2013. The seminar (JoSSH) was jointly organised by the Laboratory of Computational Statistics and Operations Research, Institute for Mathematical Research (INSPEM), Universiti Putra Malaysia (UPM) and National Hydraulic Research Institute of Malaysia (NAHRIM). Due to the encouraging response from participants, the 2<sup>nd</sup> joint seminar will be organised on 26 - 27 May 2015 as a follow up event, which aims to bring together researchers in Statistics, Hydraulics and Hydrology. JoSSH II will consist of keynote address and invited talks only.

The objectives of this seminar are:

- ◆ To encourage and promote research of Statistics in Hydraulics/ Hydrology
- ◆ To provide a platform for discussion of Applications of Statistics in Hydraulics/ Hydrology
- ◆ To establish collaborative research amongst academicians, engineers and professionals engaged in the field of Statistics in Hydraulics/ Hydrology

## WHO SHOULD ATTEND

Academicians, Researchers, Engineers, Environmentalist, Research Officers, Hydrologist, Statisticians, Students, and anyone else interested in the fields of Statistics/ Hydraulics/ Hydrology.
