

AREEYA CHANTASRI

Areeya Chantasri currently stationed as Research Fellow at the Centre for Quantum Dynamics (CQD), Griffith University, Australia and the Center for Coherence and Quantum Optics, University of Rochester, USA. She received her Ph.D. in Physics by the year of 2016 at University of Rochester. Her research interests are quantum measurement, quantum information, and quantum control; quantum theory and quantum optics; chaotic dynamics, disorder systems and phase transitions; stochastic processes and stochastic differential equations.
