New Submission for SCSQI2021

Follow the instructions, step by step, and then use the "Submit" button at the bottom of the form. The required fields are marked by \*.

### Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.

**Author 1** ([click here to add yourself](#)) ([click here to add an associate](#))

First name<sup>†</sup>: \*

Last name: \*

Email: \*

Country/region: \*

Organization: \*

Web page:

corresponding author

### Title and Abstract

The title and the abstract should be entered as plain text, they should not contain HTML elements.

Title: \*

Abstract: \*

### Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

Keywords: \*

3. Select your preferred journals in the “**Topics**” section (for the list of available journals of each Satellite Conference). Please ensure that you have edited your paper according to the journal’s template. [https://einspem.upm.edu.my/icrem9/pages/template\\_for\\_full\\_paper.php](https://einspem.upm.edu.my/icrem9/pages/template_for_full_paper.php)

### Topics

Please select topics relevant to your submission from the following list. Topics are typically used for assigning submissions to reviewers and for conference analytics.

- Operations Research Perspectives (ORP) Special Issue: Advances in Operations Research and Machine Learning Focused on Pandemic Dynamics
- Mathematical Problems in Engineering (MPE) Special Issue: Data-Driven Fuzzy Multiple Criteria Decision Making and its Potential Applications 2021
- Applied Sciences (Appl. Sci) Special Issue: Harmony Search Algorithm - Theoretical Background and Practical Applications
- Malaysian Journal of Mathematical Sciences (MJMS) Regular Issue
- International Journal of Advanced Technology and Engineering Exploration (IJATEE) Special Issue: Modern AI Applications and Development Issues, Trends, Opportunities and Challenges

4. Upload your paper in .pdf or .docx format and then click the **“Submit”** button to submit your paper.

Files

The following part of the submission form was added by AIDDI2021. It has neither been checked nor endorsed by EasyChair

**Paper.** Upload your paper. The paper must be in PDF or Ms Word format (file extension .pdf or .docx)

Choose file | No file chosen

Ready?

If you filled out the form, press the 'Submit' button below

**Do not press the button twice: uploading may take time!**

Submit

5. If you wish to update your paper, click on your submission in the menu next time you login, then click the respective menu on the upper right corner.

### My Submissions for AIDDI2021

Using the submission author environment you can view or manage your submissions to AIDDI2021. You can make new submissions or update your previous submissions.

To **make a new submission** click on "New Submission".

To **view or update your existing submission** click on the corresponding "view" icon.

Additional information about submission to AIDDI2021 can be found at the [AIDDI2021 Web page](#).

Questions about submissions can be sent to the conference contact email [ngkengyap@gmail.com](mailto:ngkengyap@gmail.com).
