

Wan Roshaimi Wan Abdullah

Wan Roshaimi Wan Abdullah is the Chief Technology Officer (CTO) at CyberSecurity Malaysia, a position he has held since July 2024. With over two decades of experience in cybersecurity risk management and strategic planning, he has a proven track record in advisory and consulting, cybersecurity maturity, governance, compliance programs, and cybersecurity operations management.

His previous roles include IT Director at the Gulf Organisation for Research & Development in Doha, Qatar, and Vice President at PNB, where he served for over five years. Wan Roshaimi has also held key positions such as Chief Information Officer (CIO) at MEPS Sdn Bhd, Executive Director at PwC Consulting Services, Managing Consultant at BAE Systems Detica, and Senior Manager at Sapura Secured Technologies.
