

# Workshop on Writing and Publishing High Impact Research Papers (WWP2018)

19 July 2018  
Al-Khawarizmi Seminar Room  
Department of Mathematics,  
Faculty of Science, UPM

## INTRODUCTION

The main focus of this workshop will be the writing issues although other topics related to publishing will also be discussed. Particularly, each and every section of the paper (from abstract to conclusion) will be explained with appropriate examples and guidelines in order to strategize a high-quality paper for high impact journals. Throughout the workshop, you will be involved in high-level academic training to enhance your research skills and knowledge. The workshop will also provide great networking opportunity since the participants from several universities across Malaysia will attend this workshop.

## PRESENTER

Professor Dr. Roslinda Mohd. Nazar  
UKM

Professor Dr. Roslinda Nazar, one of the top Malaysian scholars, will be the trainer for this workshop. She is an avid researcher and has published over 300 papers.
